Major activities affecting case closing which are not reflected above, and matters pending, date of hearing or sale, and other action:

Trustee disbursed all funds of the Estate pursuant to Trustee's Final Report. Trustee subsequently learned that a creditor mistakenly received a distribution on two separate claims when it was entitled to distribution on one claim. Trustee has filed an objection to the duplicate claim of the creditor. Upon entry of an order sustaining the objection, Trustee will submit an amended Trustee's Final Report to disburse the remaining funds on hand pro rata to all creditors.
